

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

DAYMAN EARL CHATMAN, SR.,

No. C-11-4066 EMC (pr)

Plaintiff,

ORDER

v.

CITY & COUNTY OF SAN FRANCISCO, *et al.*,

Defendants.

Defense counsel informed the Court's Clerk that, when he attempted to e-file the motion for summary judgment on September 7, 2012, the Court's electronic filing system had been shut down for maintenance scheduled to occur over the weekend. Defendants' motion for summary judgment, filed September 9, 2012, is deemed to have been timely filed.

Although the Court provided a *Rand* notice regarding summary judgment in the order of service, a relatively new case requires that Defendants provide to Plaintiff a new *Rand* notice regarding summary judgment at the time they file a motion for summary judgment. *See Woods v. Carey*, 684 F.3d 934, 940-41 (9th Cir. 2012). Defendants must provide the *Rand* notice to Plaintiff no later than **September 17, 2012**.

IT IS SO ORDERED.

Dated: September 11, 2012

EDWARD M. CHEN
United States District Judge
